June 11, 2021 -

The dumpster rental services company Huntley Disposal is expanding their delivery service to Overland Park, Kansas. After receiving requests from residents and businesses for a more convenient waste disposal solution, they now offer weekly and on-time deliveries for all-size dumpsters. Along with the new service, customers can also request an online quote or schedule a pick-up anytime on their website. "We want everyone in our community to know that we are here to help them," said Company spokesperson Tony Stroud. "Whether it's your first time renting a dumpster or you've been using us for years."

Huntley Disposal has been operational for over 20 years and offers reliable waste management solutions to homeowners, businesses, and contractors across several cities. Founded in Smithville, the dumpster rental service has since expanded its service area to include: Kansas City, Gladstone, Saint Joseph, Liberty, and now Overland Park, KS.

The company offers five roll-off dumpster sizes in Overland Park, according to information shared by Dave.

They offer 10-yard dumpsters at $245, 15-yard dumpsters at $285, 20-yard dumpsters at $350, 30-yard dumpsters at $400, and 40-yard dumpsters at $450. They have a 1-10 day rental period for all size dumpster rentals, but they also offer flexible rental terms that allow customers to extend the rental duration if they have not completed the project within the given 1-10 days. Customers are charged an additional $10 per day for extensions involving 10-yard and 15-yard containers. For 20-yard dumpsters, 30-yard dumpsters, and 40-yard dumpster rentals, customers are charged $20 per day for extensions.

The capacities of the various size dumpsters also vary. For example, 10-yard dumpsters and 15-yard dumpsters can haul 4 pick-ups and 6 pick-ups of materials, respectively, but both size containers have a 2-ton weight allowance. 20-yard dumpsters, 30-yard dumpsters, and 40-yard dumpsters have a 3-ton, 4-ton, and 5-ton weight limits, respectively, per container. The containers can load an equivalent eight pick-ups, 12 pick-ups, and 16 pick-up loads worth of material, respectively. The company charges an extra $60 per ton for excess material loaded on any dumpster above the specified weight limit.

The company is set to offer all-size dumpster rentals for commercial projects and residential projects. In addition, they have listed a wide range of materials as allowable on their roll off dumpsters. According to Mr. Sroud, the company also offers same-day dumpster service and next-day dumpster rental services to cater to renters with emergency or time-sensitive projects.

Huntley Disposal seems to have built and maintained a reputation as a reliable and reputable waste disposal company in Missouri, based on the many positive online reviews about the company posted online. They have been highly rated and reviewed across Google, Facebook, and even Yelp, with many users stating that they would recommend the company's services to others.

Their business hours are between 7 am-5 pm from Monday to Saturday. Customers can call to order dumpsters or book their rental dumpsters online through the company's website.
